

Our practice is open and providing all eyecare including emergencies, contact lenses and eyewear by pre-arranged appointments only.

Please telephone the practice to make your appointment or if you have a problem and we can arrange to see you urgently if required.

You can order and collect spectacles by appointment only.

Contact Lens aftercare appointments can be made as usual. Contact lenses can be collected without an appointment but you may be asked to wait at the door if there are already people in the practice.

Where possible we will ask you to pay in advance over the phone or using contactless methods.

Your safety is our priority. Thank you for following these measures to keep everyone safe.
